what?

The Australian Arabian Roll of Merit (AARM) is a scheme designed to record and recognise meritorious performance by Arabian-bred horses in Australia.

Any Horse that is registered with the Arabian Horse Society of Australia Limited and is two years old or over is eligible to be nominated for the AARM. The owner is required to pay a once only nomination fee of \$30.00 for each horse entered.

Points may be gained in four sections:

- HALTER** 2 yrs. All individual Led-in or Halter classes.
- PERFORMANCE** All individual events (other than Halter) which are normally performed in a show-ring i.e. *Under Saddle Classes, Harness Classes, Barrel Racing, Show Jumping, etc.*
- WORKING** All other individual events normally performed outside a show-ring, i.e. *Three Day Events, Endurance Rides, Harness Drives, Racing, Dressage, etc.*
- PROGENY** All eligible results by first generation progeny.

Points are awarded in each section according to the classification of the Show/Event. In addition extra points are awarded in all events that have a "Champion Class" or "Best Conditioned Horse" or equivalent, and events that have a "Successful Completion" award. In the Working Section there is a premium awarded to compensate for the extended duration of events in this section.

Certificates, and Trophies are awarded in each section at 2 levels, and are available for purchase.

In addition, a final level can be reached for horses that achieve Championships in 3 of the 4 Sections:

As the progeny section does not apply to geldings, they can achieve their supreme status with  
1 Champion in the Halter Section and  
2 Champions from either of the other 2 Sections.
