

## **Greg Liddle (NSW)**

I have been a board member since 2017 holding various positions including Chairman and am currently Junior Vice Chair as well as being on the Registry Sub-Committee and Judges & Officials Committee.

I have also been actively involved with the NSW Arabian Horse Association for 15 years, serving 10 years as President and only retiring from the committee in order to devote more time to the Board of AHSA. I have also been involved with both the Australian Pony Stud Book Society and the Australian Saddle Pony Association in executive roles, my contribution to the ASP being rewarded with life membership.

Most of my working life has been in the food industry rising through the ranks to managing several medium size businesses. My partner and I live in the southern tablelands of NSW. Apart from Arabian Horses and Australian Ponies we also have goats for both milk and meat as well as our main income source being Sheep both for wool and meat.

I am passionate about the Arabian horse and feel it is important to promote it to the wider horse community. It is important to respect the needs of all factions of the industry, from the large and small breeder to the pleasure horse owner, the show scene to endurance & racing.

If re-elected to the Board I will continue to work for our society and most importantly the Arabian Horse. I am more than happy to discuss my thoughts about our society with any interested members. Please feel free to contact me on 0419407154.
