

**KEVIN HOWARD (SA)**

I have both Chartered Accounting and Legal Degrees and have conducted my own practice as a Chartered Accountant for the last 54 years.

For 26 years I was Chairman of both our local Public & Private Hospitals

During the last two years I have had the privilege of being both AHSA Treasurer, and Chairman of the Finance Committee.

During this time we have been able to completely revamp and correct the Society's accounting and recording systems and carefully get its financial position under control.

The Board has been regularly presented with accurate financial reports & statements which assists them in making considered decisions.

We have been able to turn a large operating LOSS in to a small PROFIT – this continues to be an evolving mission.

My objective has always been to consider every matter/discussion with a complete open mind and vote for whatever is in the best interests of the AHSA – I will never let my personal views influence how I vote.

I was one of the inaugural members in the formation of the "S.A. Division" and held various positions over a period of many years.

The AHSA is a Public Company and as such needs as many experienced and qualified Directors as it can obtain the services of.

I believe that my professional background and experience suitably qualify me to be of value as a re-elected Board Member.

I have been an Arabian Horse breeder and enthusiast for nearly 55 years and believe that it is vital to promote the Arabian to the wider horse community as well as listening to members and servicing their needs.

Over the years I have mentored a number of young people and it is now a great pleasure to watch them succeed in their adult life.

I am passionate about Youth and would like to see the Society develop and promote a Youth program.
