

Travis Lord (NSW)

I run & own Excalibur Park Arabians with my wife Jaymee on the South Coast of NSW.

The stud mainly focuses on breeding Purebreds and Arabian Ponies. For nearly 20 years I have been training, showing and promoting our breed with wins at all levels within the country. Recently, before Covid I stepped up and officially started my judging journey. My main goal is to continue our breeding program focussing on the Standard of Excellence and not current fads or fashion.

I look forward to continuing my journey with AHSA and our breed in general and am always happy to listen to the current and future members.
