

NEWSLETTER

JANUARY 2022

Dear Members and friends,

Happy New Year! Let's hope that life starts to return to somewhat normal this year. There are a lot of important reminders in the issue; please take note.

Voting for the Board of Directors closes soon 31st January 2022. You will find Board of Director Nomination and Election Information by [clicking here](#).

The 40th Anniversary Australian National Championships is shaping up to be an extraordinary event; entries are in full swing and close on 28th January 2022. All information in relation to The Championships can be found by [clicking here](#).

How can you get involved? We urgently require Sponsorship, Trade Exhibits and Auction donations. Please visit the [Sponsorship and Trade page of the website](#) to find out more.

AHSA Memberships are now due. A reminder that membership is required in order to show at any AHSA affiliate or AHSA show. Membership renewals were recently emailed to members via the Nominate platform that has been used very successfully by a number of Societies. With relatively few teething problems the method of renewal was found to be very user friendly and easy for members to navigate. The integration with Nominate will also assist the many Affiliates who use this system for show entries as catalogues will be able to be produced with accuracy and reduced effort.

Graham Smith has resigned as Chairperson of the JOC due to increasing personal commitments. Graham has done an excellent job of re-connecting our judges at all levels and of re-establishing a sound and workable system of training and progression for our judges. I'd like to thank Graham for his commitment to the JOC. The Board has decided to leave the position of Chairman vacant until after the current election. In the meantime, the Secretary Yvonne Downes will manage the JOC.

Tanya Hosking has resigned from the Board for personal reasons. The Board decided not to replace the position after seeking legal advice in relation to definitions in the new Constitution.

Our AHSA Office staff are currently rotating working from home in effort to control any spread of Covid. The office is operating as usual.

A reminder from Registry; DNA samples need to be sent away asap as with Covid there is no guarantee that any priority processing can be obtained and the distinct possibility that, like many businesses, the lab will need to stop working for a while as staff become infected.

We are very pleased to announce that the Society looks to be making a small profit this year after a few years of loss. Thank you to Kevin Howard for all his efforts and knowledge in getting the Society finances in order.

The Annual General Meeting will be held online on 27th February 2022 via Zoom. The Notice of AGM with link to join the meeting is attached to this newsletter and available to download below:

For your interest I've attached current information about the upcoming [WAHO Conference](#) to be held in Jordan in October 2022.

As always, stay safe.
