There are also limitations on some benefits. It is important you read the policy wording together with the schedule so that you understand the extent of the cover and its limitations. You should specifically read the General Conditions and General Exclusions in the policy wording to make sure the cover we provide matches your expectations.

Taxation Implications

Depending upon you or your company's entitlement to claim Input Tax Credits under this policy, insurers may reduce the payment of your claim by the amount of any Input Tax Credit.

Consult your tax accountant if you have any questions about your particular circumstances.
