Tanya Hosking (NSW)

I am currently serving as the NSW Director on The Arabian Horse Society of Australia Board, having been appointed in 2026 to fill a casual vacancy.

I have been involved with Arabian Horses and the wider equestrian community for many years, gaining experience in horse ownership, showing, and event organisation.

In addition to my involvement with the Society, I bring more than 20 years of professional experience in administration, event coordination, and business operations. These roles have provided valuable skills in organisation, communication, financial administration, and working collaboratively with people from a wide range of backgrounds.

I have also taken on the role of Chair of the organising committee for the 2027 Australian Arabian National Championships, working alongside a dedicated team to deliver an event that supports exhibitors, encourages participation, and showcases the Arabian Horse.

During my time on the AHSA Board, I have gained a greater understanding of the responsibilities involved in representing members and contributing to the future direction of the Society.

I believe in open communication, transparency, and ensuring members feel heard and represented. My focus is on supporting the Arabian horse community, encouraging participation at all levels, and contributing to a Society that is well managed, inclusive, and focused on its future.

I welcome the opportunity to continue representing NSW members on the AHSA Board in 2027.
